CLEAN & CARE

CLEAN & CARE

09.01.07.100082 Description

Gasoline Additive

Size Pallet
100 ml 3240 pcs

ETG Gasoline Additive is designed for constant dosage and protects the entire fuel system. The additive has a superior cleaning effect, it removes existing deposits and prevents formation of new ones.

09.01.07.100083 Description

Diesel additive

Size Pallet
100 ml 3240 pcs

ETG Diesel Additive is designed for constant dosage and protects the entire fuel system. The additive has a superior cleaning effect, removes existing deposits and prevents formation of new ones.

09.01.08.100084 Description

Engine Care & Protection

Size Pallet
300 ml 1920 pcs

ETG ENGINE CARE & PROTECTION has two outstanding properties, CLEAN and PROTECT. Its high dissolving property cleans all moving parts and removes wear deposits in combustion engines. The effective wear and tear protection additives protect all moving parts. It is suitable for all engine types, and supports stop-start systems. It is ideal to protect engines running in busy cities.

09.01.09.100110 Description

Carbu & Throttle Cleaner

Size Pallet
500 ml 1008 pcs

It is a composition of cleaning agents and lubricant additives, developed specially for external and internal cleaning and maintenance of carburetors, throttle body and idle control valves. It is used for repair, assembly and routine maintenance work.

CLEAN & CARE

ETG Engine Flush is suitable for use in all diesel and petrol engines. It neutralises and dissolves aggressive residues and resins throughout the oil system. It contains a highly effective anti-friction lubricant that reliably protects the engine during the cleaning process.

Description

Engine Flush

Size Pallet
300 ml 1920 pcs

09.01.08.100099

ETG Engine Cleaner is a high-quality engine cleaner with effective dissolving properties, designed to clean all outer metal parts of combustion engines.

Description

Engine Cleaner

Size Pallet
500 ml 1008 pcs

09.01.09.100111

Use ETG FLOW together with Intake Cleaner for petrol or diesel engine to remove deposits in the air intake system, combustion chamber, throttle valves, inlet and outlet valves and valve seats. Especially recommended for insufficient throttle response and compression as well as engine knocking and dieseling.

Description

ETG FLOW

09.01.09.100111

ETG - AirCon Clean + Fresh for professional and efficient cleaning and disinfection of air-conditioning systems. Kills microorganisms such as bacteria and fungi quickly and safely. Provides clean and fresh air. Gives a pleasant and fresh odour in the vehicle interior. Simple application. No need to dismantle the air-conditioning system.

Description

AirCon Clean + Fresh

Size
150 ml

09.01.09.100178

09.01.09.100179 Description

Car Shampoo

Size
250 ml

ETG - Car Shampoo is a practical and highly effective cleaner for cleaning your entire vehicle. It prevents rust. Easy handling through the dispensing head. Phosphate-free.

NOTE: do not use the product in the sun or on dry warm surface! Use only accordance with purpose.

09.01.09.100180 Description

Leather Care Foam

Size
150 ml

Leather Care Foam - Gentle cleaning and preservation of leather.

Ideal cleaning and care product for all leather surfaces in the car. Cleans and maintains smooth and fine pored leather. Has a colour-refreshing effect and removes dirt, oil and fat. Gives leather more suppleness and improves its durability. Silicone-free, with a pleasant scent. Removes nicotine, grease and other residues

09.01.09.100181 Description

Windscreen Washer Concentrate

Size
40 ml

ETG SummerFit Windscreen Wash Concentrate is added to the windscreen washing system to eliminate glare, remove road film, and prevent dangerous light scattering. This aqueous anionic and non-ionic tenside solution prevents glare-causing film derived from drying equipment residue, hot waxes and preserving agents used in car washes. Use ETG SummerFit Windscreen Wash Concentrate on windscreens for the safest, clearest ride possible.

Magic Shine

Size
250 ml

ETG - Magic Shine - instant brilliant and radiant shine in just a few seconds.

Cleans, buffs and protects vehicle's painted, chrome-plated and plastic surfaces. No prewash needed. The silicone-containing product encapsulates dust and dirt particles during wiping. Painted surfaces are gently buffed, the paint gets back its original shine and is sealed for weeks. It removes even insect residues. Note: ETG - Magic Shine is suitable only for dry and smooth surfaces.
